Volume I

Shenandoah

God Protect Thee . . . . .Shenandoah
By Bill Fields

(Tune to Cornell's college song:
High above Cayuga's waters
And the waves of blue . . . etc . . . etc.)

By Bill Fields

"Mid the lands of waving corn fields,
And the meadows green --
Stands our high school . . . Shenandoah . . .
Stately and serene."
Proudly hail our Alma Mater,
Wave her colors bright --
God protect thee . . . Shenandoah . . .
With His holy might!

Like the valley in Virginia
Whence our fathers came . . .
We have called her Shenandoah . . .
Honor to their name!
Proudly hail our Alma Mater,
Wave her colors bright --
God protect thee . . . Shenandoah . . .
With His holy might!

To her stately halls of learning,
As the years unfold --
We will ever be devoted . . .
Dear old Blue and Gold!
Proudly hail our Alma Mater,
Wave her colors bright --
God protect thee . . . Shenandoah . . .
With his Holy might!

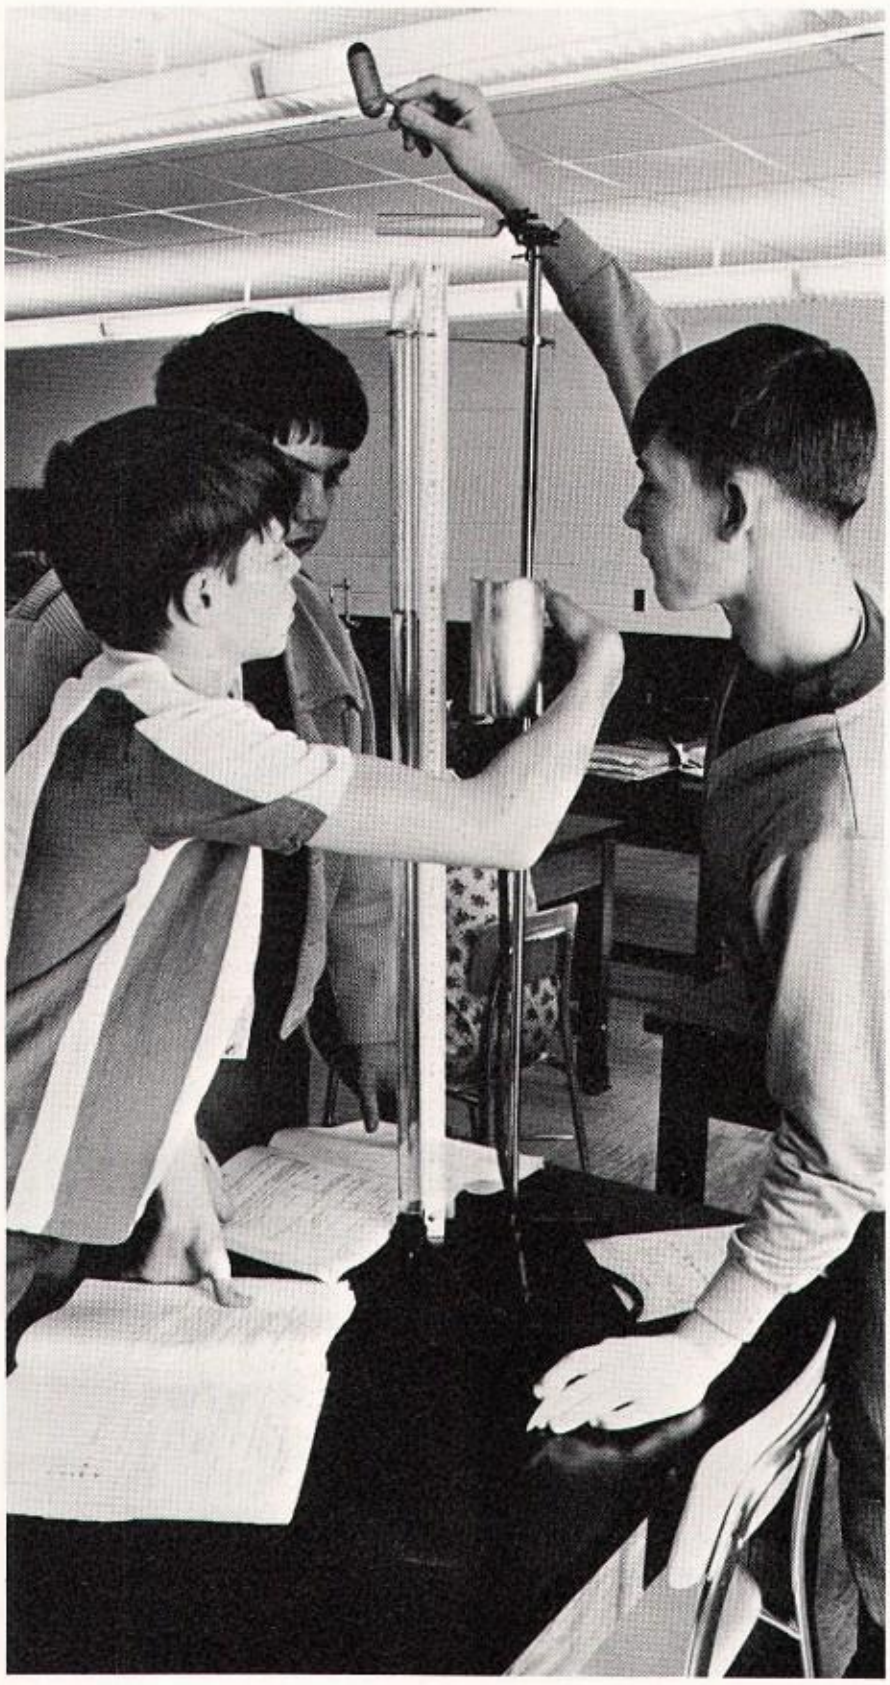
Students adjust to new surroundings.

Senior students take advantage of the new and modern facilities provided in our library.

Another day ended, another ahead.



The halls of Shenandoah are a beehive of activity. Many experiments are performed in the spacious laboratories, while research projects and term papers are being assembled in the library. For both students and teachers, our new school has been as asset to the advancement of education.

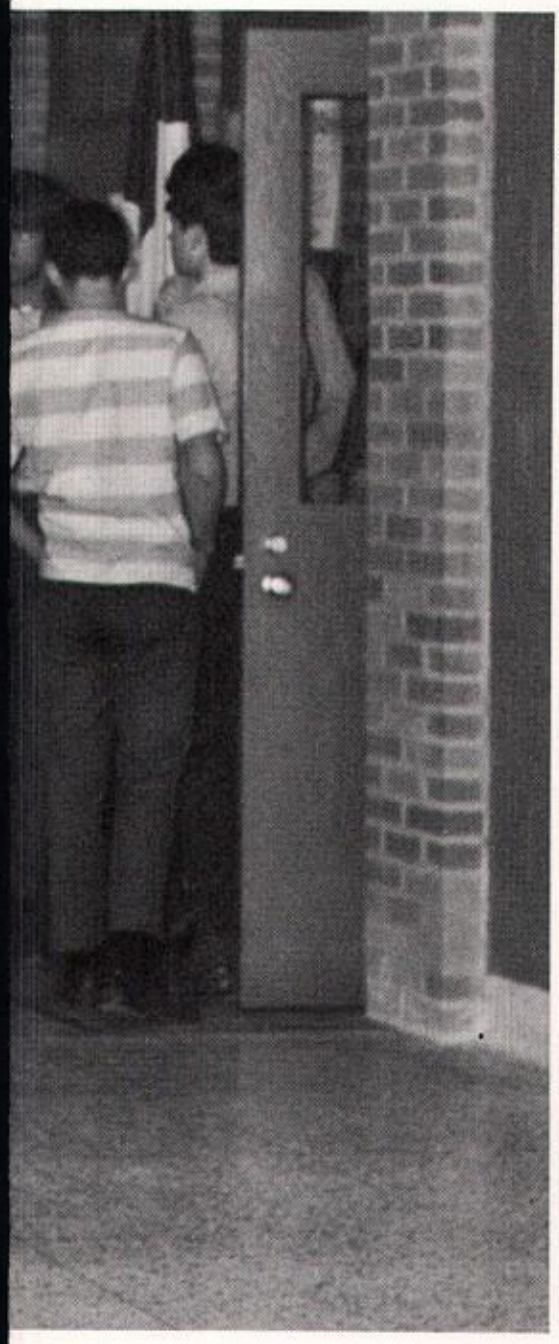
Science experiments require concentration and preciseness.

Halls of action at SHS.

The halls of SHS represent the heartbeat of the students. From the hustle to classrooms, members of the student body hasten to beat the hands of the clock. Wide hallways make it easy for most to reach class on time. During the float period, booming drums of a pep rally echo throughout the halls to awaken Raider spirit. But within the walls of the library, quietness prevails — once in awhile!!!!!

Noisy halls during the 3-minute break.

What is your combination? 36-24-36!!

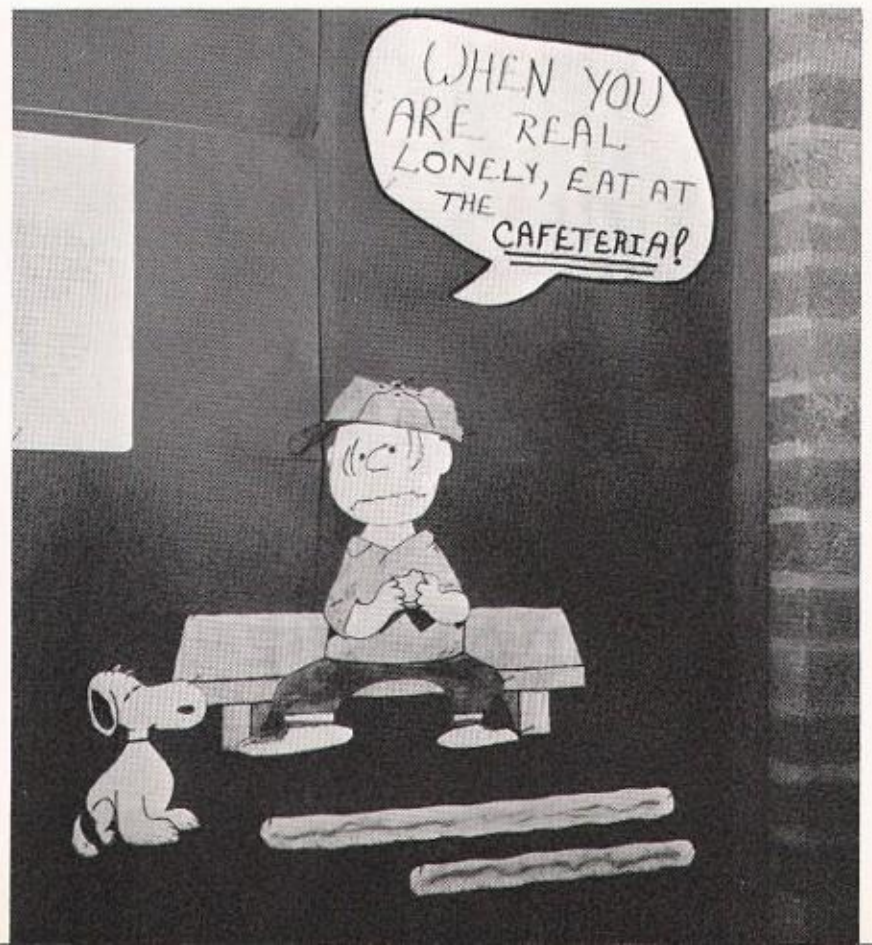


Raider spirit echoes throughout the halls of Shenandoah.

Difficulty arises when students check out books from the floor of the library.

Eat at the cafetorium — "BARF" at the vomitorium!

Students wait in line to receive a nutritious meal.



It doesn't pay to believe everything you read.

Beauty is "IN" at Shenandoah.

Beauty is all around at our new school. The words "Shenandoah High School" reach out to grasp the attention of the passer-by. The people of our community seem proud of it just as we are, and this can be verified by the attendance at our first open house. We commend all those people involved with the planning and building of this vast modern structure.

Curriculum at SHS is comprehensive....

Curriculum in our school provides challenges as well as rewards for each individual student. Teachers spend evening hours preparing lessons to promote interest in their classes.

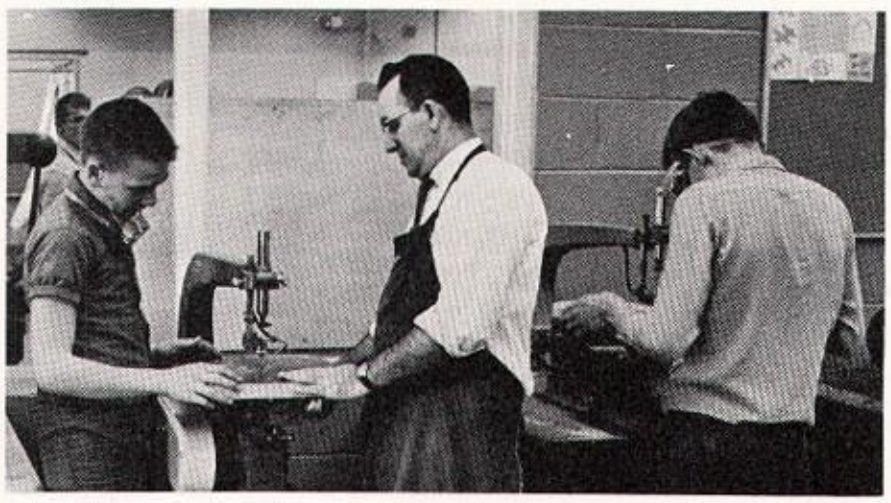
Students of Mrs. Smally conduct experiments with new laboratory equipment.

As is shown on these two pages, there are a variety of courses taught in our school which enables each student to choose a rewarding career.



John Steadman is aided by Mr. Wisehart in shop class.

Eighth grade students grasp typing skills at an early age.

Relaxation takes place in....

Mrs. Lockridge, Mrs. Wilson, and Mrs. Cade enjoy a break after lunch hour.

Teachers, students, and cooks all seem to find relaxation in some way. Talking, reading a newspaper, or attending a convo breaks the routine of many days.

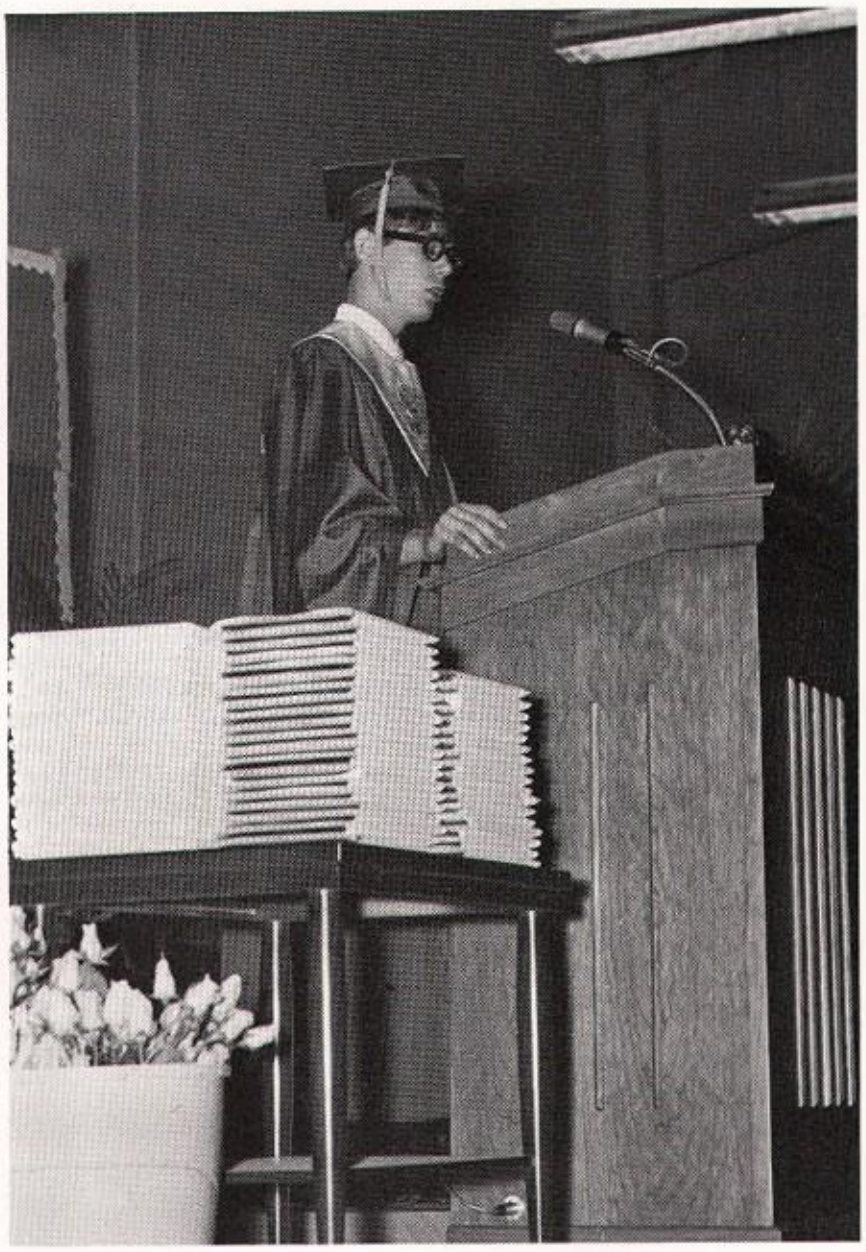
seniors

Seniors Reach Grand

The Seniors waited anxiously for twelve years for the moment that they would graduate. They have finally reached the moment of graduation after many years of grueling labor and much thinking. The Seniors are very proud to be the first graduating class of Shenandoah High School. The student body is very proud of the Seniors too and we hope that we can carry on, since the Seniors are gone. Carol Boyer, Teresa Wilson, Janet White, Eileen Dick, and Lyla Wise listen intently to the speaker at Commencement.

Dr. John Dunworth from Ball State gave a very challenging talk to the Seniors and guests at Commencement.

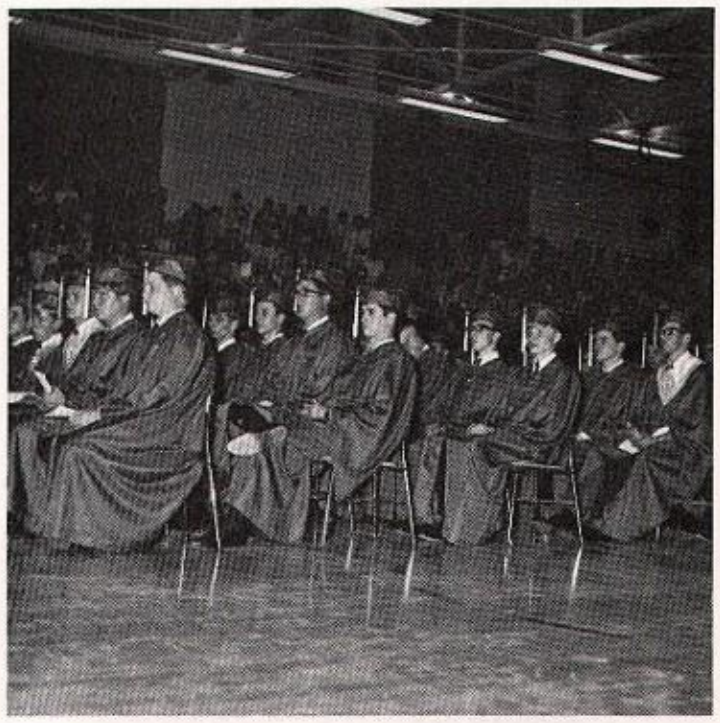


Class President, Les Peckinpaugh, introduced the speaker for the evening.

Finale of Their Year

Rev. Chapman gave the Invocation at Commencement.

The Seniors chose as their class motto, "HE WHO FINDETH KNOWLEDGE FINDETH LIFE."



Even the Senior boys listen quietly, as they realize they are spending their last few minutes as a student of Shenandoah High School.

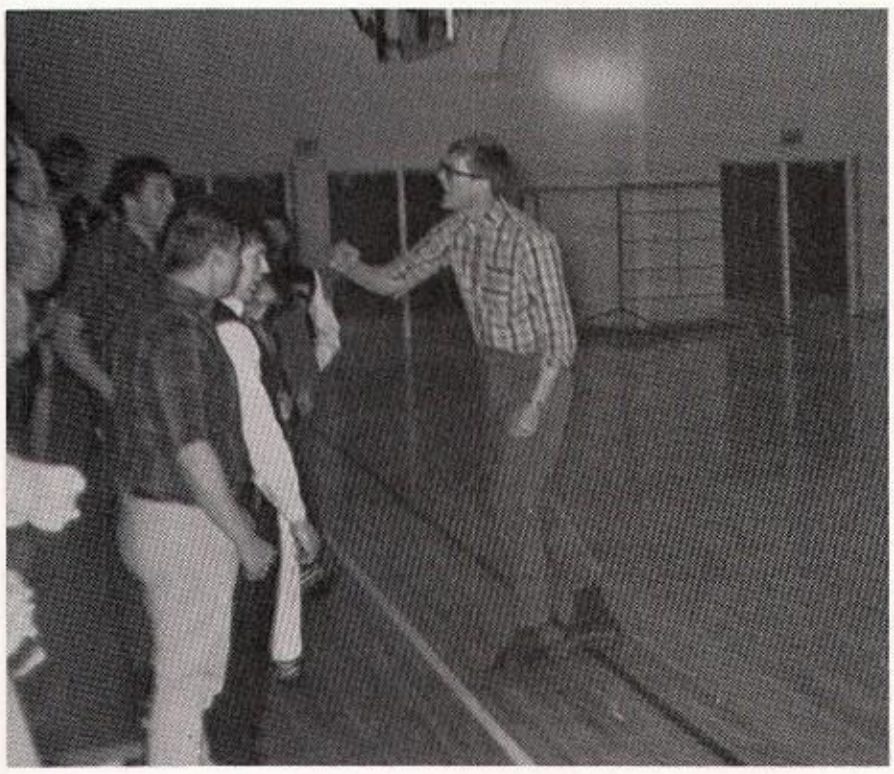
What will the consequences be?



We, the class of 1968, being the first Seniors at Shenandoah High School, feel that it is both an honor and a privilege to be the first graduating class. We are very proud that the school was completed in time for us to attend during our final year.

Mrs. Oakes is Shenandoah's school secretary.

Mrs. St. John, school nurse, attended Marion General Hospital and General Hospital in Indianapolis.

Mrs. McDonnell is a helpful librarian to the many students who use the library.

Mrs. Dykes is another school secretary.

Mrs. Keesling is kept very busy doing extra work in the cafeteria and being a teacher's aide.

Students at Shenandoah taught

Our Shenandoah High School faculty and administration have worked very hard to get our new school started. Much progress has been made under a difficult situation involving the move to our new site. We have been fortunate in having the services of teachers from the old schools in Middletown, Cadiz, and Sulphur Springs. In addition, a few new teachers have been added to the staff and have made their services invaluable.

Water's fine

From the very first the juniors have been looking forward to this years prom. They have sold concessions at every home high school ballgame this year. It was time consuming but they enjoyed every minute of it.

To make additional money for the costs of the prom, they had dances after some of the basketball games. The Juniors also had a Newly-Wed game, in which many of the faculty and their mates participated

The Juniors took their positions in many activities this year. They are making themselves ready to take over next year when the seniors are gone. As apprentices they have learned many new techniques and they are confident that they will be able to fulfill their obligations.

Juniors adore Hendey's bomb.

Receiving their class rings was the highlight of the Sophomore's year. The Sophomores received two class rings due to a mistake in spelling. However they could only keep one ring. The Sophomore class worked hard to earn money. They sponsored a dance and they also sold the very popular Shenandoah Raider license plate. Most of the Sophmores had the privilege of obtaining their driver's license this year. The Sophomores had a very outstanding year and they are now looking forward to becoming Juniors.

And you thought I sounded Bad!

During this fateful year

Being a Freshman isn't as easy as many people think. The Freshman of this first year of high school had to make many adjustments. But they pulled through this year without too many scars. They received their class jackets just in time to get a lot of use out of them. The jackets were a very nice shade of dark green.

They sponsored a Valentine Dance. There were several nominations for queen and king from all of the classes . . . But the Freshmen's own Roberta Cox and David Moore won. They also put on a little skit taken from the book West-Side Story. The Freshmen volunteered to act they were not drafted. They had a lot of fun during their practices and when they acted for the whole school on May 7.

The shop class brings out many hidden abilities.

Every freshman takes interest in the Valentine Dance.

He did it!

The Eighth Grade had the dubious honor of being the first class to receive all of their high school education as Shenandoah High School. They soon learned that high school life is quite different from what they had been accustomed to. They learned very quickly and are now looking forward to the next four years.

The eighth grade sponsored a dance for the school, just as all the other classes had. They even had a good ball season, too.

Due to the combined efforts of Mr. Richard Beuhler and the members of the Shenandoah Marching Raiders, the student body and the community have had the privilege of the spine-tingling music provided by the band. During the month of June, 1967, the band began marching as one body. During the same month, the band performed in its first parade at Middletown, during the Lions Fair. In August of 1967, the band performed at the Shelbyville County Fair, and won 1st prize. Other first include; Parker, Mermaid Festival in North Webster, in spite of rainy weather, and an excellent rating at Contests. The band has also performed at Ball State University and Anderson College. Mr. Beuhler is pleased with the facilities at Shenandoah, and feels the band helps to create school spirit and community relations. Congressman Richard Roudebush and Past-Senator Ralph Harvey both praised the band highly and wished them continued success.

With dying of voices, the Shenandoah Honor Society met formally for the last time May 2, 1968, in the cafetorium in honor of the Senior members. With the leaving of the old, and the coming of the new, the Honor Society still maintains its standards of scholarship, character, leadership, and service. During the school year, the Honor Society conducted a Christmas toy collection for the children at the Knightstown Soldiers and Sailors Home. Three new members were inducted during the year; Seniors, Bruce Brattain, Les Peckinpaugh, and Jane Weidner. This year, the sponsoring organizations were: Henry County Savings and Loan, Bank of Henry County, Kennard Branch, and Union State Bank, at Sulphur Springs.

group participation.

The girls' 4-H club sponsors activities from flowers to baking. Each girl learns how to plant a garden, or sew a dress, or bake a cake, or embroidery a pillow, or the many other projects provided.

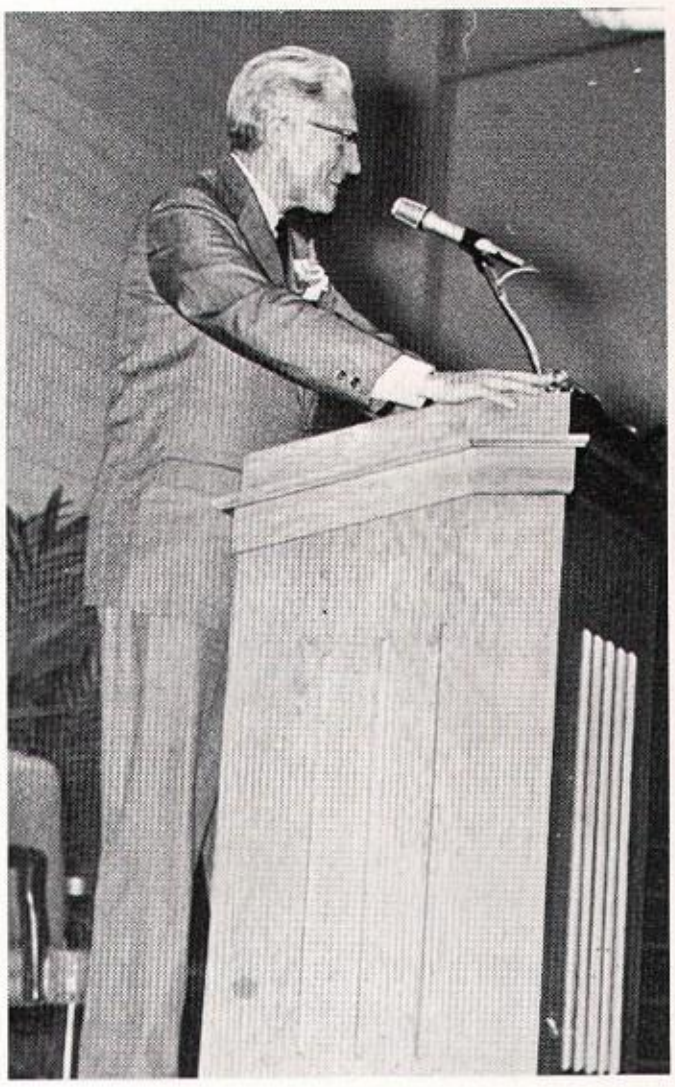
For the boys, 4-H teaches them how to take care of their crops, livestock, perserve soil, or photograph a beautiful scene. Practical farm procedures prove to be valuable in later life for students.

Pupils Enjoy Dramatics

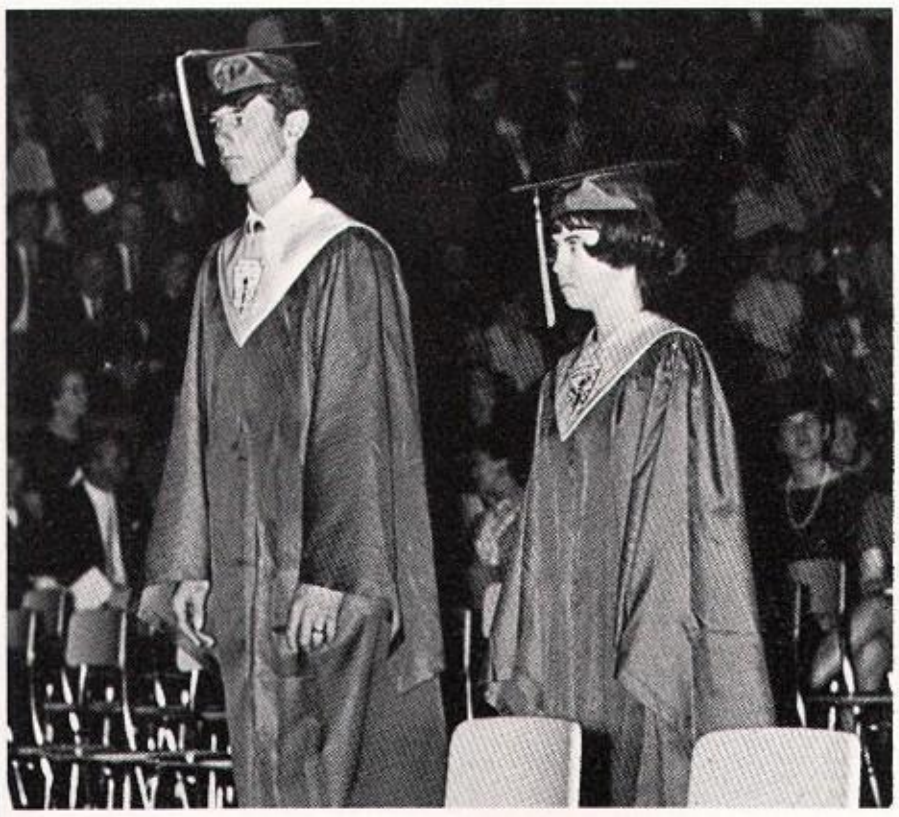
The Dramatics Class has been quite active this year. They have presented "Scrooge", Professor Hobo", from which these pictures have been taken, "Guy From Venus," an all school-musical, and "Room No. 13". Characters are Jeff Shoemaker, John St. John, Gail Elder, Suzy Jameson, Barbara Anderson, Janet Payne, Gail Hensley, and Sharon Gadberry.

Seniors Grand Finale

Candle girls, Juniors, preceded the Seniors into the gymnasium for the Baccalaureate processional on Sunday night, May 26, 1968. Ninety-eight seniors marched down the aisle to hear the message.



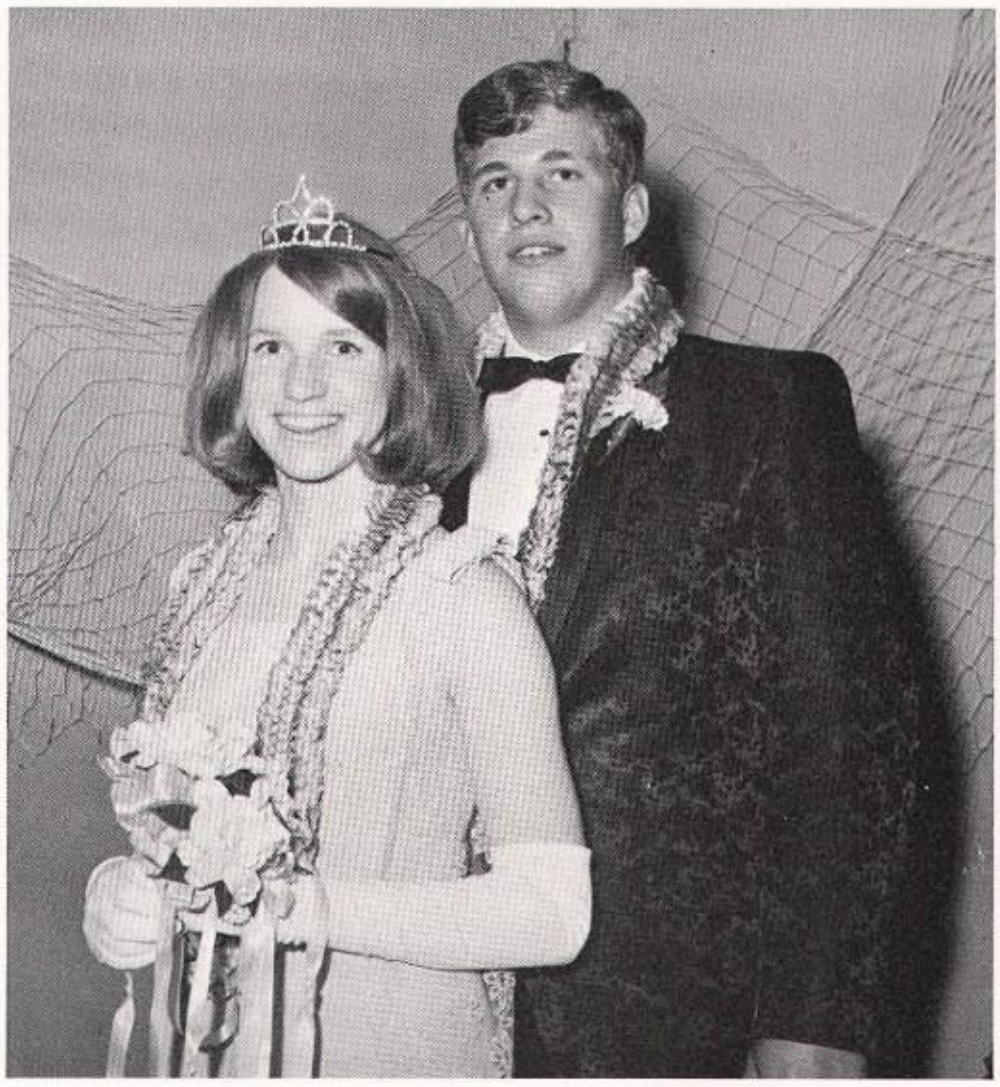
Rev. Gishler presented the Baccalaureate message to the Seniors.



Alan Painter, and Carol Boyer are some of the first Seniors to march down the aisle in Baccalaureate services.

Senior girls, Bonnie Bertram, Debbie Blevins, and Barbara Brown, listen attentively to message.

Jrs. and Srs. Enjoy



Karen McKay and Denny Reedy were crowned King and Queen at the Prom on Saturday, May 25, 1968.

King Denny and Queen Karen enjoy Royal dance.

"Paradise Island" was the theme of the 1968 Junior-Senior Prom, held at Ball State. The guests enjoyed the supper, dance, crowning of the King and Queen, and then enjoyed the afterprom party at Ball State also. The Anderson High School Dance Band provided the evening music for the couples.

"Paradise Island"

Couples dance to music at "Paradise"

The Anderson High School Band provided the music for the couples. Their tantalizing music set the swing for the "Paradise Island". The band played through the evening. The "Chosen Few" played at the after-Prom party for the "night-owls".

For their first year, the Freshmen Basketball team had a superb season. Under the direction of Mike Luce the team worked together to give their fans a good show. They traveled far and near to conquer their foes. Next year we hope these boys will represent Shenandoah's B-team.

The Eighth Grade Basketball team gained much experience this year. Under the coaching of Marvin Wisehart, they ended with a victorious season. After many grueling practices, the Eighth Grade team traveled to the farthest corners of Indiana to meet their deadliest enemies, grappled them and came out as No. 1.

Shenandoah was very well represented in the cheerleading department. These girls were very talented, and they worked hard to fill their position thoroughly. They have been to many exciting ballgames, provided by our great ball teams, and they have produced many fine yells and chants for the student body.

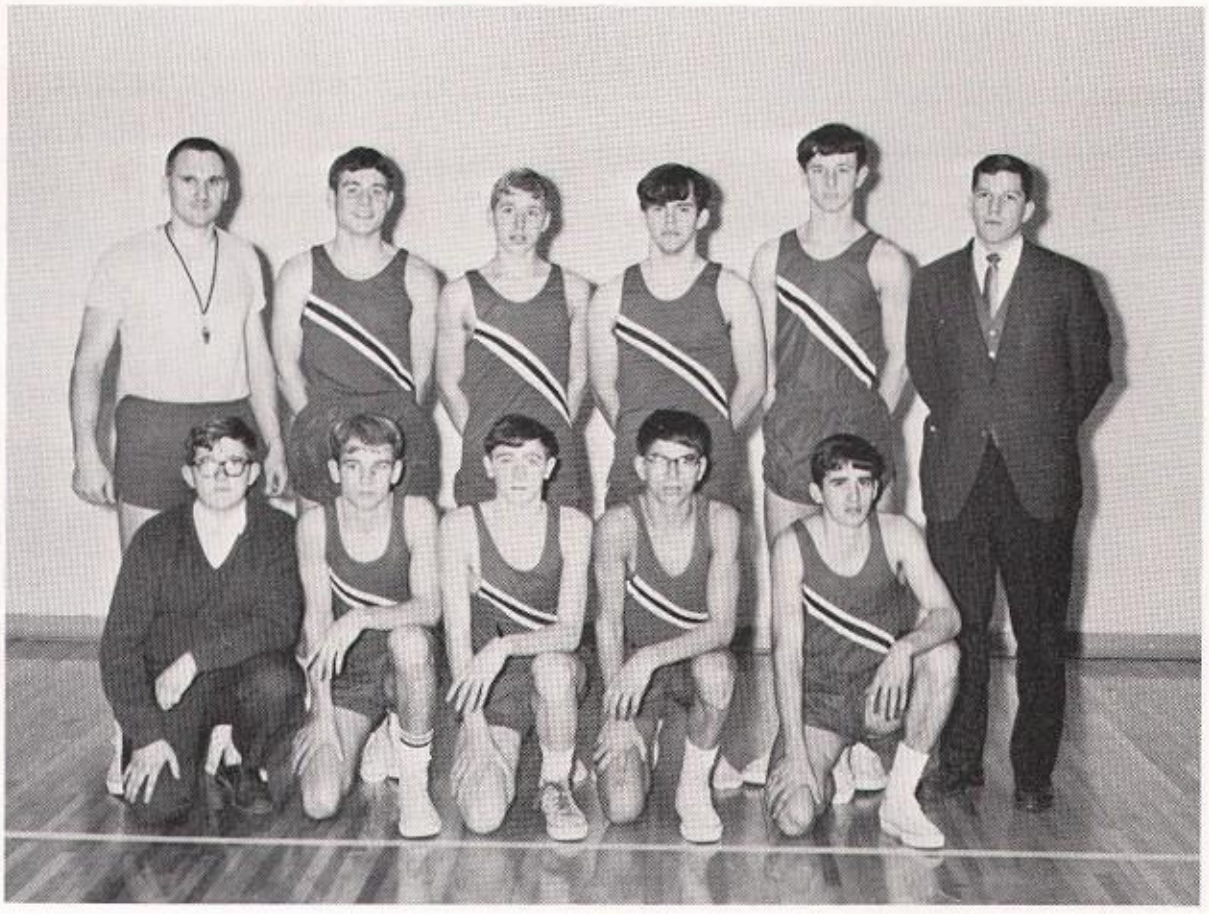
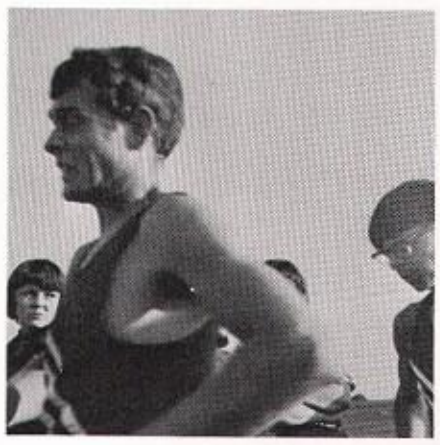
Cross country men dash to victory

Shenandoah's first Cross Country Team spent many long hours running through fierce weather. They had to work very hard to get in tip-top condition. Under the capable Gordon Pacquin and Mike Luce, the Cross Country Team had a very inspiring season.



VARSITY CROSS COUNTRY TEAM Front row left to right; Student Manager-Terry Vores, Eric Painter, Randy Keesling, Mike Reno, Richard Shelton. Second row: Head Coach-Gordon Pacquin Thad Loudenback, Harold Huff, Bruce Schaffer, Alan Painter, Asst. Coach-Mike Luce.



Oh, Grab that Skunk!

Get on your mark! Get set! . . . WAIT!

Where's the water?

The Reserve and Freshmen Cross Country Teams ran hard to come forth with a winning season. The Freshmen ran hard, but most will be back to run harder as Reserves. The tremendous Shenandoah Reserves ran hard to earn a coveted place on the Raider's Varsity Squad. Most of the Reserves will be back for Shenandoah's second Cross Country season as number one Raider runners.

RESERVE CROSS COUNTRY TEAM Front row left to right: Bobby Saunders, Danny Dickerson, Steve Myers, Second row: Randy Clark, Steve Sheets, Rick Braden, Mike Fuller Third row: Head Coach-Mike Luce, Dan Bell, Stan Smith, Melvin Zachary, Kenny Wisehart, Jim Parish, Asst. Coach-Gordon Pacquin.

FRESHMEN CROSS COUNTRY TEAM Front row left to right: Chuck Masters, Mike Fuller, Larry Riggs, Second row: Steve Myers, Danny Dickerson, Mike Tupps, Rocky East, Third row: Head Coach — Gordon Pacquin, Tony Sanders, John Reedy, Bobby Saunders, Mark Riggs, Gary Hanna, Asst. Coach — Mike Luce.

Row 3. Coach Bill Derickson, John Parker, Thad Loudenback, Denny Reedy, Jerry Munden, Mike Reedy, Jim Parrish

Under the direction of Bill Derickson, Shenandoah's Baseball team operated smoothly and successfully. They had a very challenging year. Even though the team had difficulties, a lost mit, a broken bat, and an umpire, they came out with a very good showing for our new high school

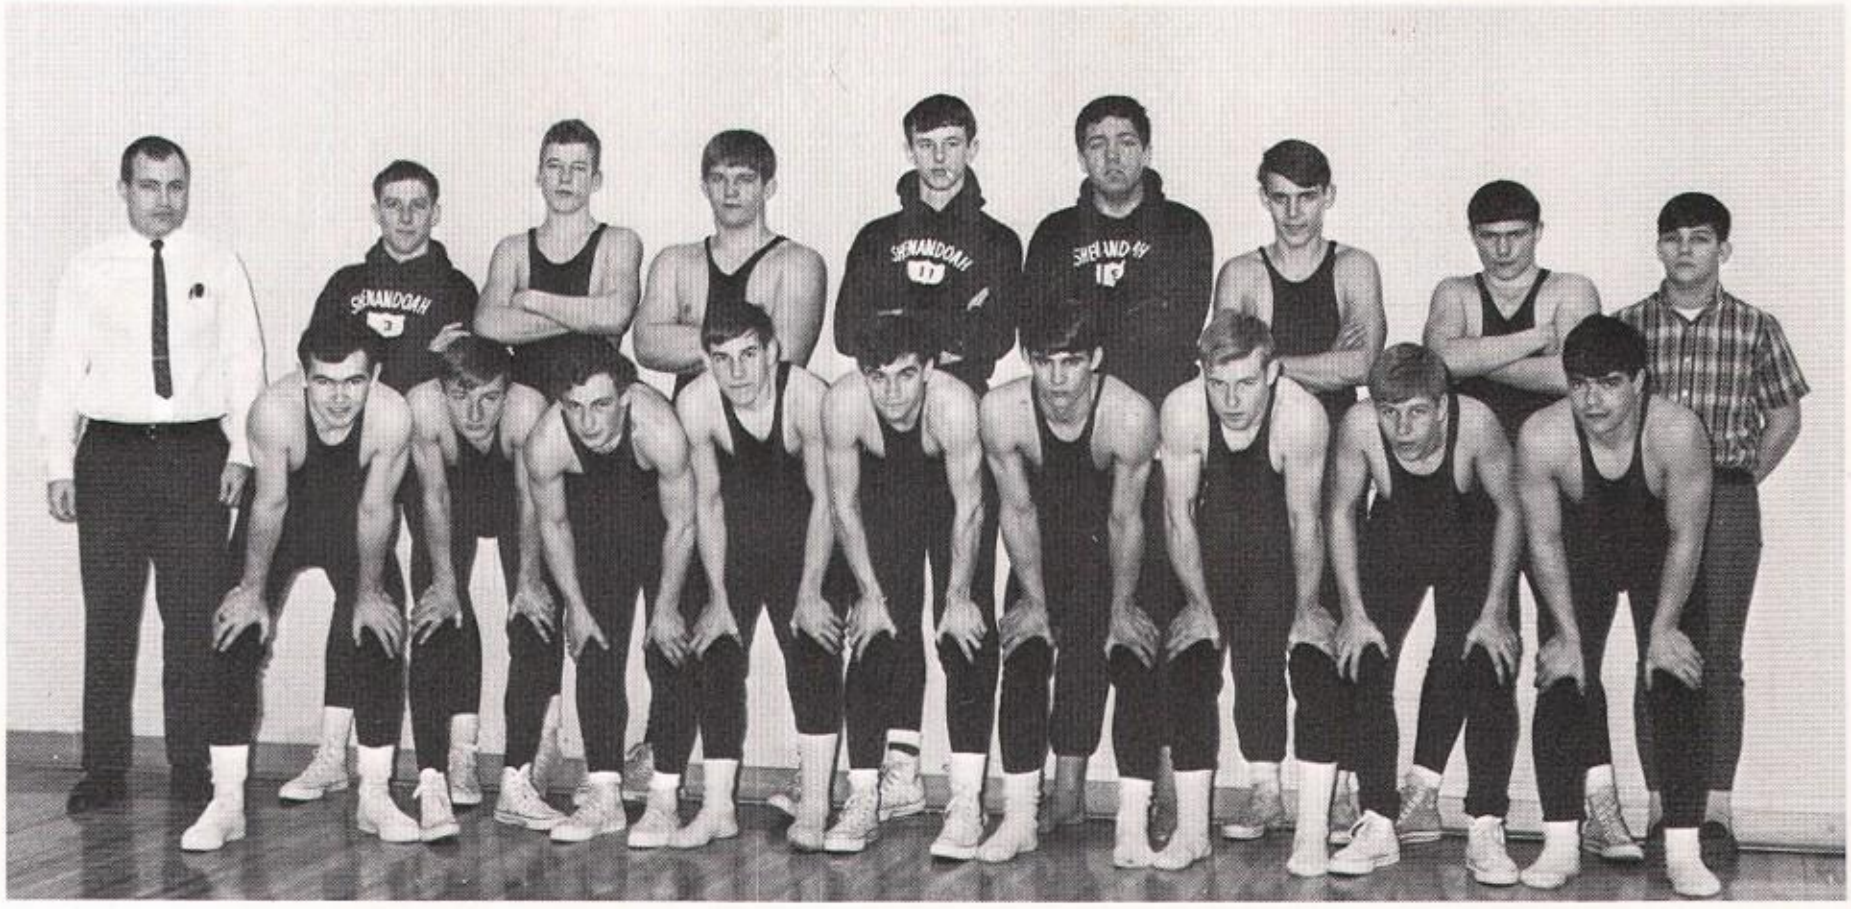
The Golf team had a superior season. Since this was their first year, they had no trouble beating the last year's record. The boys made a top showing under the coaching of Mike Luce

Row 1. Thad Loudenback, Bob Ritchie, Dennis Murray, Stan Smith, Bob Copeland
Row 2. Jon Ballard, Raymond Vancour, Gary Fadely, Mike Reedy, Terry Fadely, Coach Mike Luce

Shenandoah wrestlers : Murder on the mats

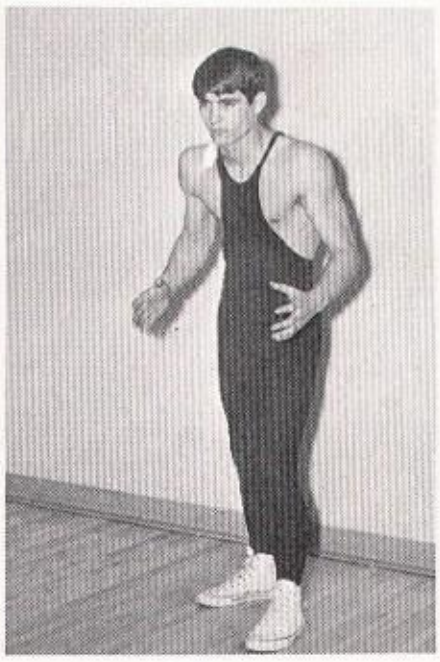
Shenandoah was honored to have such an outstanding Wrestling Team. Wrestling was a new sport to us at Shenandoah, but the boys entered into wrestling with high spirits and much energy. The Wrestling Team had one outstanding member.

This was Bruce Eaker. Bruce made a very fine showing, but due to circumstances, Bruce wasn't able to compete in the State Tournament. Keep up the work wrestlers.



WRESTLING TEAM Front row left to right: Ray Poffenbarger, George Knox, Larry Murphy, Jim Jennings, Buddy Ritchie, Bruce Eaker, Barry Flynn, Steve Scott, Dale Elder, Second row: Coach — Bill Hendey, Martin Ellingwood, Dan Bell, Rick Badgley, Alan Painter, Phil Zachary, Perry Cade, Kevin Harry, Student Manager, Randy Badgley

About Eakers



The Athletic Department of Shenandoah was very active. Some of these pictures show the various stages of athletics at Shenandoah High School

We say that because two out of three people would have flipped this page without ever trying to get through the maze. But you didn't. And that's a good indication of the kind of career you might enjoy.

Scientists, for instance, are the kind of people who thrive on challenge. That's what leads them to science courses in school. And draws them into a lifetime of problem-solving in a scientific career.

Take our scientists. They keep seeing a better way to design ignition systems—and they do it. They never stop looking for further improvements in our generators. Without their curiosity and appetite for challenge, we could never have designed our silver zinc batteries for missiles.

And without students like you, we won't be able to meet the fantastic challenges of the future.

So, if science interests you, dig in now. Tomorrow not only needs you—it needs you to be good.

Here at Delco-Remy, we're definitely a part of tomorrow.

So we'll be looking for you. Right after college.

Acknowledgement

We feel that there is no other way to end this annual than with a THANK YOU! We would like to thank first of all the businesses whose ads made it possible for the publication of this annual. Secondly, we would like to thank our sponsor, Mr. Dykes, for his patience and his understanding help. We would also like to thank the representative from Paragon, Mr. Dick Bussell. The annual could not have been completed without Mr. Brussell's aid. Last but not least we appreciate the hard working annual staff. We hope that this annual will bring you refreshing memories of a good year at Shenandoah High School.
